# BSC (HONS) PROJECT MANAGEMENT DEGREE APPRENTICESHIP

## LEVEL 4, 5 & 6

The BSc (Hons) Project Management Degree Apprenticeship is designed to develop expertise in all aspects of the project management lifecycle - initiation, planning execution and closure - drawing on the latest theory and industry principals.

It will develop well-rounded project professionals with the skills and knowledge to work and lead in project teams.

Learners will combine academic studies with work based reflection, drawing on their unique contexts when exploring topics such as estimation & schedule management, resource planning, goals & benefits analysis, strategic leadership and the management of change.

Overall, this programme will develop the skills and competencies necessary for learners to execute projects efficiently, effectively, on-time and within budget for their organisation and across any sector.

Northumbria University and QA have a longstanding track record in developing project management professionals. Indeed, this programme is informed by world-leading research and delivered to ensure impact and success in your projects.

**DURATION:** 48 months + the End Point Assessment, typically 6 months

**AWARD:** BSc (Hons) Project Management, awarded by Northumbria University, Newcastle

**APPRENTICESHIP STANDARD:** Project Manager (Degree)

# TRANSFORMING PROJECT MANAGERS.

Learners flourish under the teaching of seasoned lecturers and academics – carefully crafting the future of project managers.

Each module is delivered through expert workshops, tutorials and directed study; via online video, podcasts and discussion forums, and with invaluable contact time with a personal coach – either face-to-face or virtual.

This apprenticeship is closely linked to industry and all learners are entitled to IPMA Level D qualification, and are also eligible to become full members of the APM, upon successful completion of the programme.

## 20% off-the-job learning

Our apprenticeship facilitates off-the-job learning – it includes online and on-the-job learning, as well as classroom training.

Employers and training providers need to meet a 20% off-the-job training requirement, which we offer advice on hitting.

All modules are core and are worth 20 credits unless otherwise stated

## LEVEL 4

Business Environment for Project Professionals
Programme Portfolio & Project Management

Project Management End Point Assessment Professional Review

### What is Professional Practice?

These are self-guided modules that allow learners to tailor the programme to the environment they work in. They are an opportunity to develop specialist project management skills.

### Before completing their EPA, learners must have:

- Passed all the other modules in this programme
- Agreement from their employer that they are ready for the EPA
- Completed the e-portfolio
- Completed level 2 English and maths qualifications (if not already achieved)
