MSC STRATEGIC LEADERSHIP

LEVEL 7

SENIOR LEADER MASTERS DEGREE APPRENTICESHIP

MASTERS IN MANAGEMENT

This Masters Degree Apprenticeship is designed to transform understanding of responsible business, leadership and management.

We ask learners: Are you ready to reflect critically on your own leadership capabilities and deliver impact back into your organisation?

Learners will be encouraged to translate key theories in strategic thinking, research and organisational improvement into the context of their own personal and professional practice, organisation and sector – while also tackling the broader societal and global challenges.

Learners will enhance skills whilst delivering against strategic objectives through a blended learning context that allows you to see tangible results straight away.

Northumbria University's Newcastle Business School has a global reputation for business management education. It is part of a select group of business schools worldwide having been awarded double accreditation in business and accounting by the Association to Advance Collegiate Schools of Business (AACSB International).

MASTER STRATEGIC LEADERSHIP

Learners flourish under the teaching of seasoned lecturers and academics throughout 2 years of modules – carefully crafting the future of senior leaders.

Each module is delivered through expert workshops, tutorials and directed study; via online video, podcasts and discussion forums, and with invaluable contact time with a personal coach - either face-to-face or virtual.

Chartered Management Institute (CMI)

All learners become Affiliate members of the CMI for the duration of study, providing access to all their resources, with the option to apply for a Level 7 Diploma in Strategic Management and Leadership. There is also potential to earn Chartered Manager (CMgr) or Chartered Fellow (CMgr FCMI) status, dependent on management experience.

Evidencing 20% off-the-job learning

Employers and training providers need to meet a 20% off-the-job training requirement. We help advise on how best to do this.

Our apprenticeship facilitates off-the-job learning - it includes online and on-the-job learning as well as classroom training.

NOTE:

Evidence of Level 2 English and Maths is required to complete the apprenticeship.
