ONLINE TEACHING SUPPORT

Our Virtual Learning Environment, Canvas, provides an accessible user experience, with particular strengths in native video and cross-platform options, including native iOS and Android apps, plus high-quality responsive design for mobile browsers.

Every week our expert lecturers provide a new chapter of digital content, combined with an online learning activity. This could be a technical exercise, contribution to discussion forums or a quiz.

NOTE: Evidence of Level 2 English and Maths is required to complete the apprenticeship.

Evidencing 20% off-the-job learning

We are the apprenticeship experts and can help advise you on how best to do this. Our programme facilitates off-the-job learning, it's been developed with online learning and on-the-job learning, as well as classroom training.

What is professional practice?

These are self-guided modules that allow learners to tailor the programme to the environment they work in. They are an opportunity to develop specialist management skills.
