

# MSc Global Business Management 2020/21

London | Birmingham\* | Manchester

## Overview

---

The MSc Global Business Management programme is designed with graduates in mind. This one-year Masters degree ensures students have strong theoretical knowledge of business and management, and develop a range of analytical and personal skills. This programme allows students to further specialise in global business management following their undergraduate study.

Incorporating a range of teaching and learning techniques, this programme enables students to learn valuable business issues and apply them to real-life situations. A key theme of this programme is developing students' knowledge and skills in order to navigate what is a complex, uncertain and volatile global business environment.

Students will gain confidence in working with a range of cases - varying in size, structure and purpose from a variety of businesses - to prepare them for future career endeavours.

## Why Roehampton

---

- Study in popular central city locations
- Learn in a personalised and friendly small class environment
- One-to-one careers advice to build your experience and skills in readiness for a competitive job market

## Career opportunities

---

Successful students will emerge from this programme as responsible business leaders with well-developed analytical skills, clear perspectives on strategy and global business management, and highly effective communication and research skills, all of which are required by employers in both the private and public sectors.

## Evening and weekend study

---

One of our study options available for UK and EU nationals includes evenings and weekends. This study option offers the same levels of student support and the ability to balance your full-time studies with your personal life.

## Support available

---

Throughout their studies students will have access to our dedicated support teams who are there to assist students during their course. These include:

- ACE Team: our Academic Community of Excellence Team is there to support students with academic development, including academic writing and style, referencing, developing criticality as well as computing and mathematics from our dedicated team members.
- Careers Team: there to guide students into a career that's perfect for them by offering CV advice and interview tips.
- Welfare Team: offering personal support any time students may need it.
