DEVELOPING THE LEADERS OF THE FUTURE

Modules are designed in a manner that seeks to explore real-world practical challenges and how managers address these in today's fast-paced environment, underpinned by the necessary supporting theory.

Through this programme learners will be equipped with the skills to work in a range of senior leadership and management jobs, including but not limited to:

- Chief Operating Officer
- Chief Financial Officer
- Chief Executive Officer
- Chief Information Officer
- Director
- Head of Department/Faculty
- Senior Military Officer

Evidencing 20% off-the-job learning

Employers and training providers need to meet a 20% off-the-job training requirement. We help advise on how best to do this.

Our apprenticeship facilitates off-the-job learning - it includes online and on-the-job learning.

NOTE:

Evidence of Level 2 English and Maths is required to complete the apprenticeship.

Example modules

All modules are core and last 10 weeks plus assessment week(s).

→	Organisational Strategy
→	Digital Disruption, Innovation, and Change
→	Enterprise Decision Making and Risk Management
→	Financial Strategy and Governance for Leaders
→	Ethics, Leadership, and Organisational Behaviour
→	Professional Practice for Senior Leaders (Year-long)

What is Professional Practice?

This is a self-guided module that allows learners to tailor the programme to the environment they work in. It is an opportunity to develop specialist leadership skills.

End Point Assessment (EPA)

This programme culminates with an EPA with the CMI (Chartered Management Institute). Learners will present and discuss their project report.
