TO MAKE A DIFFERENCE

WHY SOLENT

Be part of a diverse community with over 60,000 graduates from more than 100 different countries

A blended learning approach combining live online learning and face-to-face sessions

Study your way with either daytime or evening and weekend learning

Four-star rated overall, with five stars for employability, facilities, inclusiveness, internationalisation and teaching (QS World University Rankings, 2019)

London:
Our London centre is based in the vibrant West End. Just hop on the tube and go to see iconic London attractions. Our friendly multi-university centre offers a contemporary space for reflective study and a peaceful library.

Voted best student city in QS Student Cities Guide (2022)

Birmingham:
The Birmingham centre is located minutes away from the refurbished New Street station with easy access to the renowned Bullring. The campus offers spacious classrooms with interactive learning facilities, as well as relaxed breakout areas.

Eclectic social scene with a student population of over 65,000

Manchester:
Manchester is thriving with culture, creativity and a large business community, providing students with a great opportunity for career development. Our centre is a modern learning environment with plenty of space to study and relax.

Third largest city in the UK with a large business community

BSC (HONS) BUSINESS MANAGEMENT

Our course has been designed to support the development of values-driven professionals and equip them with the skills to be able to adapt to ever-changing business landscapes.

- Fusing together academic business theory with industry application
- Develop your understanding of contemporary international business
- 9 – 12 hours of lectures, seminars and workshops per week
- Foundation Year available
- Tuition fee: £9,250 (per annum)

Entry requirement: 96-112 UCAS points
English language requirement: GCSE English at Grade 4 or above, or IELTS 6.0 with no component less than 5.5 in each band, or equivalent

BSC (HONS) COMPUTING

A hands-on degree programme that encourages students to develop an extensive knowledge of computer programming, culminating in a major final-year software development project.

- Gain knowledge about databases, usability and web technologies, and networking
- Learn transferable skills such as communication, teamwork and project management
- 9 – 12 hours of lectures, seminars and laboratory sessions per week
- Foundation Year available
- Tuition fee: £9,250 (per annum)

Entry requirement: 72-96 UCAS points
English language requirement: GCSE English at Grade 4 or above, IELTS 6.0 with no component less than 5.5 in each band, or equivalent

FOUNDATION YEAR

Spend a year building up essential study skills and foundational knowledge, before progressing onto your chosen specialist undergraduate degree the following year.

- Fill in the gap between school and university
- Adjust to life as a university student

Entry requirement: 48 UCAS points
English language requirement: GCSE English at Grade 4 or above, or IELTS 5.5 with no component less than 5.0 in each band, or equivalent
