

## London Metropolitan University At a Glance

[qahighereducation.com/londonmet](http://qahighereducation.com/londonmet)

We offer a selection of foundation year and undergraduate degrees, spanning across three vibrant city centre locations, with modern teaching facilities and subject specialist academic staff.

### Why study with us?

- Centres located in the heart of three popular UK cities
- A blended learning approach combining live online learning and face-to-face sessions
- Study your way with either daytime or evening and weekend learning
- Multiple intakes throughout the year
- Foundation year study option available

Ranked 6th university for the quality  
of teaching  
(*Times Good University Guide, 2021*).

Ranked 6th in the UK for producing  
CEOs and managing directors  
(*Hitachi Capital, 2021*).

## Locations

### Manchester

Manchester is thriving with culture, creativity and a large business community, with great opportunities for career development. Our centre is a modern learning environment with plenty of space to study and relax.

### London

Our London centre is based in the vibrant West End, at the heart of London's iconic attractions. Our friendly multi-university centre offers a contemporary space for reflective study and a peaceful library.

### Birmingham

The Birmingham centre is located minutes away from the refurbished New Street station with easy access to the renowned Bullring. The campus offers spacious classrooms with interactive learning facilities, as well as relaxed breakout areas.

## Business Management BA (Hons)

Gain skills and attributes to compete and succeed in a wide range of fields requiring management skills. Also available as a foundation degree.

- Develop an understanding of the purposes, structures and management of the functions of business organisations
- Understand corporate behaviours and cultures which exist within different organisations
- Gain knowledge on contemporary issues and challenges in the world of business
- Graduates have developed careers in management, consultancy, business research and setting up their own business

## Health and Social Care BSc (Hons)

Develop the skills, knowledge and confidence to start a professional career in the health and social care sector. Also available as a foundation degree.

- Aligned to the standards specified by Skills for Health (the Skills Council for the NHS)
- Gain advanced skills that conform to the National Occupational Standards (NOS)
- Accredited by the Chartered Institute of Housing (CIH)
- Graduates have gone on to have careers in the NHS, voluntary and independent sectors

## Foundation Year

Spend a year building up essential study skills and foundational knowledge, before progressing onto your chosen specialist undergraduate degree the following year.

- Fill in the gap between school and university
- Adjust to life as a university student
- Entry requirements: 32 UCAS Points

## Student Support

- Academic Community of Excellence (ACE Team)
- Accommodation Team
- Careers Service
- Library Services
- Welfare Support
