London Campus

Our London Campus is based in the heart of the UK's capital, a world-recognised centre of enterprise and international commerce. Located close to London's financial district, it is ideal for working professionals.

London is ranked No.1 for the third consecutive year in the QS Best Student Cities (2022).

STUDY LEVELS

Pre-Sessional English and Study Skills

Our Pre-Sessional English programme is designed to build your English language abilities ready for undergraduate or postgraduate study.

- Improve your academic study, reading, writing, and speaking skills
- Introduce yourself to life in the UK and British culture
- Develop your understanding of university systems, services and facilities

Find out more: london.northumbria.ac.uk/pre-sessional

Top-Up

If you currently hold an HND, Foundation Degree or equivalent Level 5 qualification, you may be able to join one of our Top-Up degrees.

- Each programme is the final year of an undergraduate degree
- Build upon your knowledge and skills from previous qualifications
- Achieve an undergraduate degree with just one year of study

Pre-Masters

Our Pre-Masters programmes have been designed to help further develop your academic skills, subject knowledge, and prepare you for Masters-level study.

- Upon successful completion you will be able to progress onto one of our full-time postgraduate degrees
- A great way to fast-track your career or change your direction

Find out more: london.northumbria.ac.uk/pre-masters

Postgraduate

Whether you've just completed your undergraduate degree or are in the early stages of your career, we have a wide range of postgraduate degrees.

- Our inspirational academics will help you fulfil your potential
- Part-time options available to suit working professionals
- Advanced practice programmes available

Find out more: london.northumbria.ac.uk/postgraduate-degrees

Advanced Practice

Studying a Masters with Advanced Practice allows you to extend your studies to include either an internship, a group consultancy project or research project.

- Designed to help you stand out to potential employers
- Gives you real business experience that can be applied in any industry
