Input your details to join the session. Enter your full name and email address in order for your tutor to record your attendance:

A screenshot of the Zoom 'Join the meeting' interface. At the top is the Zoom logo. Below it, the text 'Join the meeting' is displayed, followed by the instruction 'If you're the meeting host, sign in to start the meeting.' There are two input fields: 'Name' and 'Email address', both with a small 'x' icon to clear the text. Below these fields is a checked checkbox labeled 'Remember me'. At the bottom, there is a blue button labeled 'Join as a guest' and a link labeled 'Sign in'.

Audio and video set up

Make sure you are set up correctly:

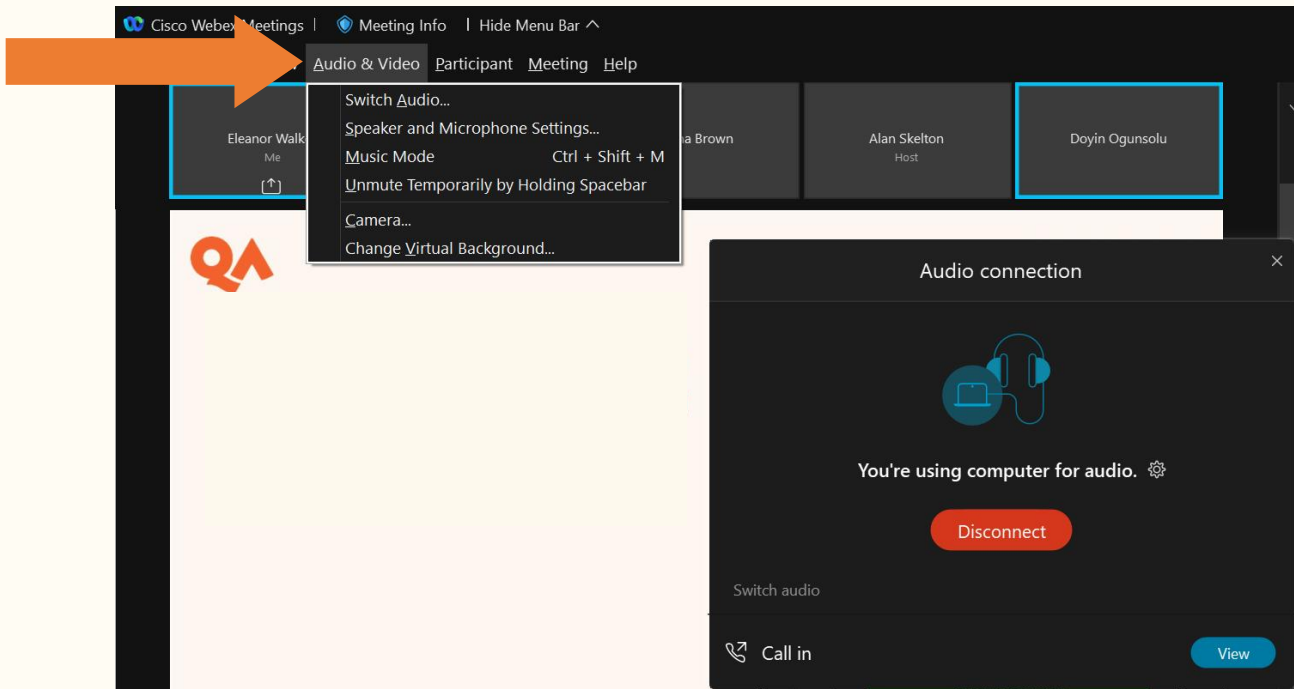

Make sure you have connected to audio via your computer

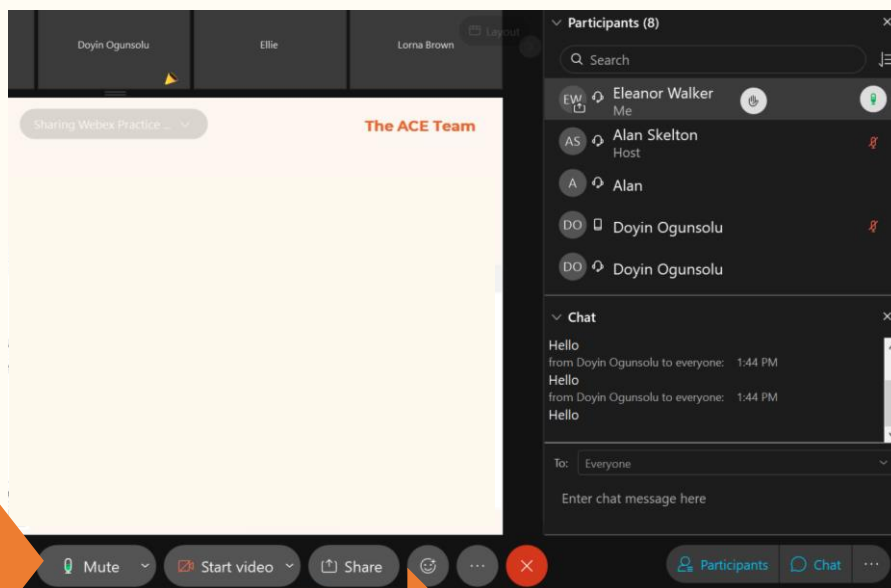

You can test your speakers and microphone here

Once you have joined the session you can access the same options again here:

Once you have joined the session you can turn on your microphone, unless the host has muted all attendees. Muting and unmuting yourself:

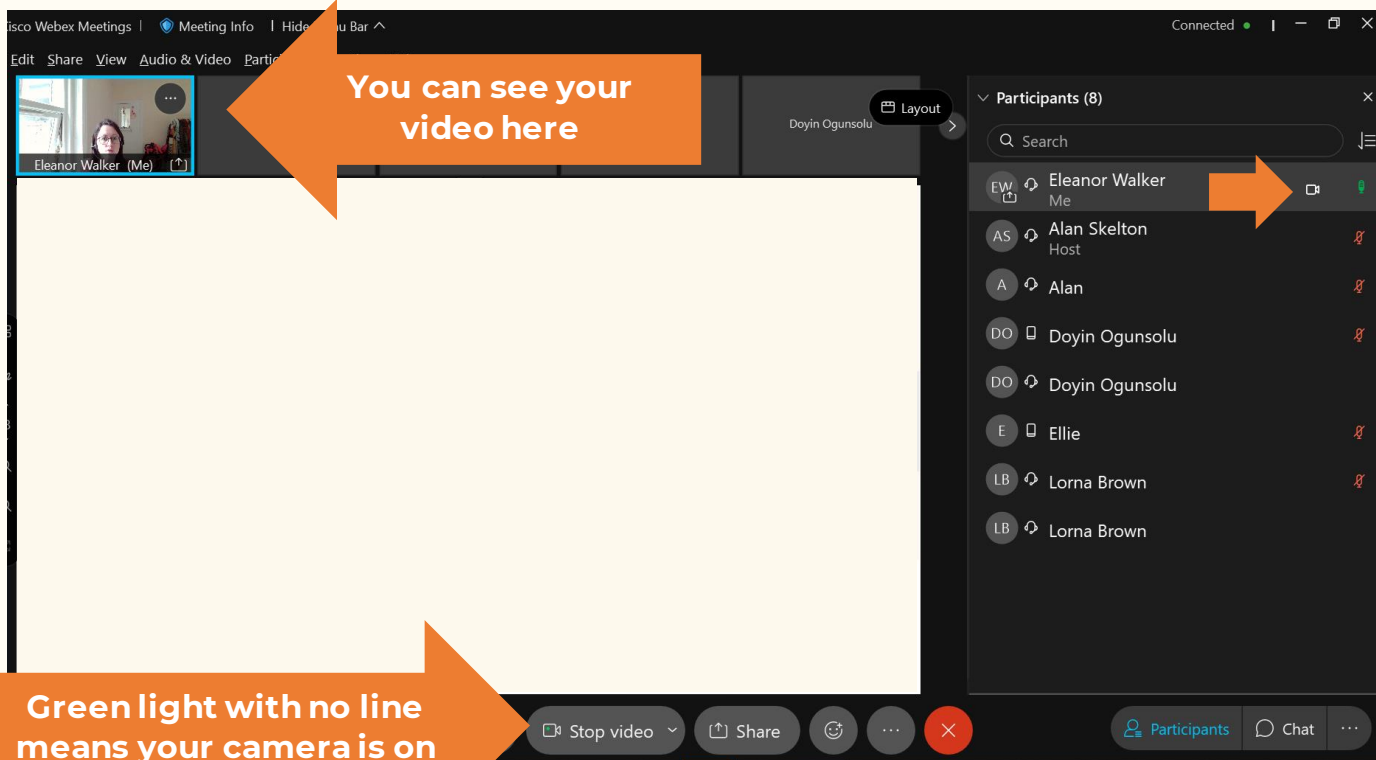

Green with no line means you are unmuted

Red with a line through means you are muted

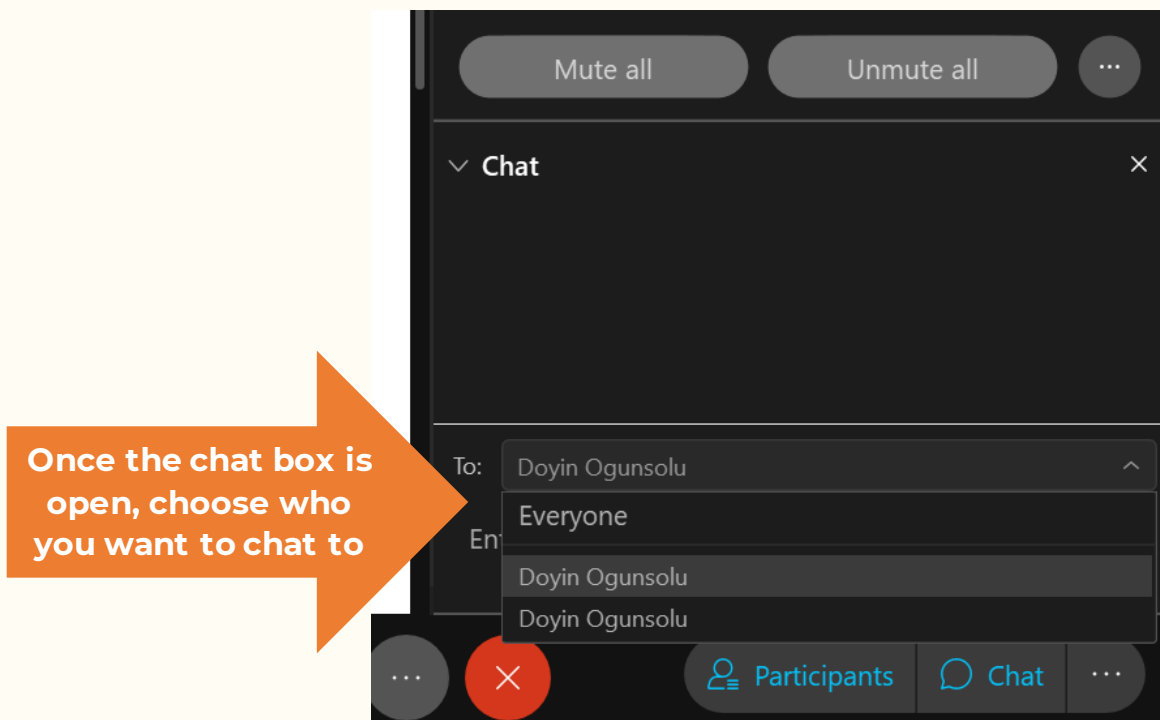

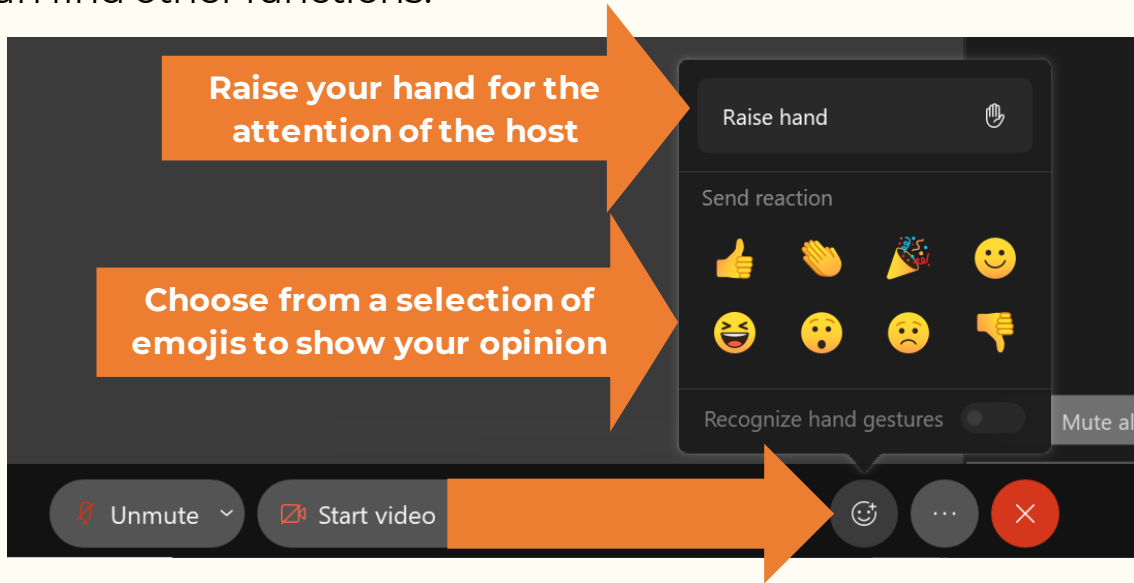

Using your camera:
