

## Finance Terms and Conditions

Please take the time to read the information below which relates to your fee payment.

You can either choose to self-fund your programme of study or apply for a tuition fee loan from Student Finance England, Student Awards Agency Scotland, Student Finance Wales or Student Finance North Ireland.

If you have applied for a tuition fee loan from Student Finance England (or regional equivalent) and this has not yet been approved you will still be permitted to enrol, on the basis that you are able to provide evidence of your application for tuition fee funding and a valid CRN number. However, please be aware that you are personally liable for any and all tuition fees incurred, even if you're subsequently found not to be eligible for some or all of the funding you have applied to obtain.

The value of your tuition fees are as shown in your unconditional offer letter.

The information below provides you with details of your fee liability if you withdraw from the course.
