STUDENT SUPPORT AND CAREERS

Your success is our priority. Our comprehensive student support services are here to help you every step of the way.

STUDENT SUPPORT

- **ACE Team:** tailored academic support to meet your unique needs
- **Welfare Team:** dedicated to your welfare and mental health
- **Accommodation:** assistance in finding the perfect living space
- **Library Team:** offering premium learning resources and personal guidance

FINANCIAL SUPPORT

UK students - there are undergraduate and postgraduate tuition fee loans which pay for your course. For more information, please visit [gov.uk/student-finance](https://www.gov.uk/student-finance)

International students - the Northumbria University bursary and scholarship packages will provide financial help to a range of students, including supporting those with an 'overseas' fee status.

CAREERS AND EMPLOYABILITY

The Student Futures and Careers Team supports students to achieve their ambitions, make the most of their experiences, develop their skills and manage their future career. The team offers a wide range of activities and support to help students at every step of their journey.

How the Student Futures and Careers Team support you:

- 1-2-1 career guidance appointments with our career advisors covering career options/planning bespoke to your personal needs
- LinkedIn profile reviews
- Mock interview sessions
- CV and Cover Letter support
- Advanced Practice support (internship option)
- Careers and employability workshops and employer-led events
- Notification of work experience and job opportunities
- Access to a variety of printed and online careers resources
