## SWANSEA UNIVERSITY IN LONDON

**Our London campus is located in the heart of the city, in the historic area of Holborn.**

While it's surrounded by transport links, restaurants, bars, and attractions, the campus still offers a close-knit and welcoming environment.

The campus is equipped with computer rooms, common areas, classrooms, library facilities, free Wi-Fi throughout, and private study spaces, making it an ideal place to study.

Just a short walk from the main London campus, the Student Hub offers a library and comfortable study areas.

## LONDON RANKED NO.1

**WORLD'S BEST STUDENT CITY**

(QS Best Student Cities, 2025)

# MSc COMPUTER SCIENCE

## COURSE OVERVIEW

**Are you ready to take the first step towards a rewarding and impactful career in computer science?**

Our MSc Computer Science programme offers a pathway towards deeper learning into the subject. Through a combination of practical and theory-based learning, you will develop a firm understanding of subjects from software concepts to big data and network security.

## ENTRY REQUIREMENTS

- A 2:2 honours degree (or above) in any subject (except computing)
- IELTS 6.0 (with a minimum of 5.5 in each component) or equivalent English test

## TYPICAL COURSE CONTENT

- Introduction to Object-Oriented Programming
- Computer System Concepts and Security
- Database Systems and Web Apps
- Research Methods
- Problem Solving and Software Efficiency
- Software Engineering Principles and Software Testing

## FLEXIBLE LEARNING

Combining in-person learning with a blend of live and self-paced online sessions. This hybrid model makes learning more accessible as you can study wherever suits you.

## CAREER PATHWAYS

The UK will need over 1.9 million STEM professionals, including in areas such as computing and engineering, by 2035 (Gov.uk, 2023). Graduates often progress into job fields such as:

- Software engineer
- Software developer
- IT developer
- Programmer
- Web developer
- Technical support technician

## STUDENT SUPPORT

We understand that university life can be both exciting and challenging, which is why we established the Student Advice and Support centre. This is your go-to resource for guidance, support and empowerment throughout your academic journey.

### THE ACADEMIC COMMUNITY OF EXCELLENCE (ACE) TEAM

Here to help you achieve academic excellence, the ACE team can help you with how you study through 1-to-1 appointments or online workshops.

### STUDENT FUTURES AND CAREERS

We want to help you achieve your ambitions, develop your skills and manage your future career. We offer a wide range of support to help you with every step of your journey.

### STUDENT WELFARE

No matter how big or small you think your issue is, our Student Welfare team are always on hand to support you with any queries or personal matters that you may come across during your studies.

### LIBRARY TEAM

When you study with us, you will have access to a range of learning and research resources through the library. Our helpful librarians can also support you in getting the most out of the resources.

### STUDENT FINANCE

Whilst you are studying with us, you will be able to book appointments with our Student Finance team, they will be able to help you with any financial difficulties.

### GRADUATION SUPPORT

Dedicated support services for up to two years after you graduate to help you reach your career goals.

## HOW TO APPLY

If you would like to apply to study MSc Computer Science at Swansea University in London, please follow the steps below:

**01**

### **COMPLETE YOUR APPLICATION**

You can complete our online application form through our website.

**02**

### **DRAFT YOUR PERSONAL STATEMENT**

When writing your personal statement, make sure that it reflects why you have chosen to study this course.
