

# Pre-Master's Courses

Prepare yourself for success in your master's degree

## Why choose a Pre-Master's course at Oxford Brookes?

- Progress onto your chosen master's course by passing with appropriate grades.
- Study from 12-24 weeks depending on your needs.
- Get a personal academic adviser to support your studies.
- Build your confidence while experiencing UK university life before your master's.
- Get prepared for your master's degree, especially if you've been away from academic studies for a while.

## Ranked 6th in the UK for teaching

Times Higher Education Young University Rankings 2024

“The Pre-Master's course enabled me to become used to the UK education system. One of the most beneficial parts of the course were the one-to-one tutorials with my academic advisor/lecturers. These helped me with a range of skills including academic English, critical thinking, presentation skills and reading skills. All the Pre-Master's teachers brought a wealth of experience.”
